

STEM

AVIATION ACADEMY

SPONSORSHIP OPPORTUNITIES

Most schools lack aviation programs, leaving students unaware of career opportunities in this arena. Early exposure to aviation can inspire students to pursue STEM (Science, Technology, Engineering & Mathematics) concepts, making them more practical and exciting.

By focusing on middle and high school students, STEM Aviation Academy works to promote diversity and inclusion. We aim to break down barriers and create opportunities for students from all backgrounds to explore exciting aviation careers.

STEM

AVIATION ACADEMY

Commercial aviation will need 649,000 pilots, 690,000 technicians and 983,000 cabin crewmembers over the next 20 years.

By exposing today's youth to aviation, STEM Aviation Academy is addressing this crisis head-on by filling the gaps in the aviation industry through education and safety training.

\$2,000 - Friends of STEM Aviation Academy

- Join our network of aviation enthusiasts who support vital education, outreach, and safety programs.

\$5,000 - Skyward Bound: Sponsor a School Field Trip

- Support educational outings to STEM Aviation Academy, offering tours and hands-on experiences at local airports.

\$10,000 - Elevate Education: Aviation Safety & Scholarships

- Fund safety seminars, subsidize field trips, and provide scholarships for aviation-focused programs.

\$25,000 - Flight to the Future: Comprehensive Aviation Opportunities

- Offer full scholarships, invest in advanced flight simulators, expand outreach, help develop STEM Aviation Academy events.

\$50,000 - Soar to Success: Upgrading Training and Mentorship

- Help STEM Aviation Academy upgrade training equipment, establish mentorship programs, create career pathways and host educational after-school workshops.

\$100,000 - Wings of Knowledge: Scholarships & Curriculum Development

- Establish endowments for ongoing scholarships, support aircraft acquisition, launch a summer aviation camp, and sponsor awareness campaigns.

\$250,000 - "Powered By" Aviation Excellence Commitment

- Significantly expand aviation education and support new facilities nationwide.
- The sponsor's name or logo will be featured as the primary supporter, offering prominent recognition, nationwide influence, and a lasting impact on aviation education through initiatives such as national promotion, facility support, and major event sponsorship.
